1.1. TITLE/PURPOSE

The title of this Ordinance is the Town of Stubbs Ordinance Regulating the Operation of Campgrounds.

The provisions of this Ordinance are enacted for the purpose of protecting the public health, safety and general welfare of residents and transients in the Town, to prevent overcrowding and unsanitary conditions on real estate and to establish minimum requirements for the establishment and operation of campgrounds in the Town of Stubbs. The standards and requirements of this Ordinance are intended to provide a wholesome community environment, adequate public services, and the conservation of natural resources, resulting in a desirable recreational facility, while retaining the rural nature of our township.

1.2. AUTHORITY

This Ordinance is adopted in accord with §§60.10(2)(c), 60.22(3), & 61.34(1)&(5) Wis. Stats., pursuant to which the Town Board is authorized to adopt police power ordinances for and on behalf of the health, safety, welfare and convenience of the public by necessary and convenient means. The requirements of ATCP 79, Wis. Adm. Code and all other applicable codes shall be minimum standards and are supplemented with this Ordinance.

1.3. SCOPE

This Ordinance applies to all lands in the Town of Stubbs, County of Rusk, Wisconsin. The Town Board in corporation with Rusk County shall be responsible to administer this Ordinance.

No new or expanded campgrounds may be constructed unless all required approvals have been given.

The Town will permit a maximum of three (3) campgrounds with a minimum distance of three (3) miles of physical separation.

1.4. INTERPRETATION

A. Abrogation and Greater Restrictions

1. Except when set forth expressly herein, it is not the intent of the Town Board to abrogate annul or repeal any other ordinance of the Town or to alter the applicability of laws which are not of statewide concern within the Town. To the extent that a conflict arises between this and any other ordinance, rule or regulation, the more restrictive of them shall control.

2. Private Covenants. These regulations are not intended to abrogate any easement, covenant, deed restriction, or any other private agreements, or restrictions, provided that where the provisions of these regulations are more restrictive than such easement, covenant, deed restriction or other private agreements or restrictions, the requirements of these regulations shall govern.

B. Liberal Construction. In their interpretation and application, the provisions of these regulations shall be held to be the minimum requirements for the promotion of the public health, safety and general welfare. The provisions of this Ordinance

shall be liberally and broadly construed in favor of the Town of Stubbs to promote the purposes for which they are adopted and shall not be construed to be a limitation or repeal of any other power now possessed or granted to the Town of Stubbs.

C. General. Where used herein the word "shall" is mandatory. The word "may" is permissive.

D. Non-Liability. The Town does not guarantee, warrant, represent, or hold itself liable for any defects in plans or specifications, false information provided, plan omissions, examination or inspection oversight, construction, or damage that may result in or after installation, and reserves the right to order changes or additions if conditions arise pertaining to the public health, safety, or welfare.
